What is the PTO policy, and how many days do managers get?

role: engineer

policy_search(query="PTO policy")

TechCorp's Paid Time Off (PTO) Policy states that all full-time employees receive paid time off. PTO resets on January 1st each year, and unused PTO does not roll over.

Managers receive 20 days of PTO per year.

The company also observes the following holidays: New Year's Day, MLK Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.

`policy_search(query="security or data-handling policy")`

TechCorp has a GDPR Compliance Policy that outlines requirements for data handling and security. Key aspects include:

Data Subject Rights:

- Right to access (within 30 days)
- Right to rectification
- Right to erasure ("right to be forgotten")
- Right to restrict processing
- Right to data portability

TechCorp Obligations:

- Maintain a data inventory
- Conduct Data Protection Impact Assessments (DPIAs) for new processing activities
- Report breaches within 72 hours
- Appoint a Data Protection Officer (DPO)
- Document all processing activities

Employee Data Handling:

- Employee data should only be processed for HR, payroll, and benefits purposes.
- Cross-border transfers of employee data require consent.
- Data retention policies are in place (maximum retention period is specified as "ma").

This information is from the "GDPR Compliance Policy".
